New classes for 2010

- * Introduction to Copper Clay and Bronze Clay
- * Chain Maille Beginners and next steps
- * Polymer Clay Beads
- * Domed earring and pendant set
- * Metal Clay Diploma Design and Construction (Alternative Grade 4)
- * Silver Spoon with 24ct gold

Masterclasses

Our Masterclasses are unparalleled in Europe and are a rare opportunity to spend time with the best professionals in a well-equipped workshop, nestled in the beautiful Cornish countryside. These unique events are a very special treat and class size is limited to maximise learning and enjoyment.

Higher Metal Clay Diploma

We continue to offer the most thorough metal clay training currently available anywhere in the world. No other course gives such a broad hands-on education covering all types of metal clay- PMC, Art Clay, Bronze Clay and Copper Clay -we know them all.

Diploma in Metal Clay Proficiency

The most comprehensive training available in metal clay includes teacher training and traditional silverwork skills to elevate your metal clay work. Not to be confused with other certification classes; ours is exclusive to MCSJ.

Dates and prices liable to change please check our website www.mcsj.co.uk

Make your Own Wedding Rings

We have had over 100 happy couples make their wedding rings with our guidance. Exclusive use of the workshop with an expert ensures your rings will turn out every bit as professional as the rings you see in the jewellers' window

Private Tuition

We have a fully equipped jewellery workshop and a group of talented tutors ready to help you achieve your goals. You can now hire our excellent facilities and the personal attention of an expert tutor for a day, a weekend or even longer. Imagine how much you could learn in a tailor-made class with the tutor at your side, encouraging and assisting you every step of the way.

- * We have the widest range of jewellery related classes available at any independent school in the UK.
- * We have been running Metal Clay classes longer than any other independent school in Europe
- * Our school attracts the top teachers from around the world for our Master classes
- * The well-equipped professional workshop is situated in a picturesque Cornish valley, close to beaches and the Eden Project. This makes us the perfect choice for a learning holiday.
