Photograph your Jewellery Class

This is a two day class.

If you're submitting work for competitions or displaying or selling your jewellery on the internet, good quality photo's are a must. You can pay a professional to take your pictures or learn how to take fabulous pictures yourself.

Bring your own digital camera to this class for personal tuition in producing professional results.

Subjects covered include: -

- lighting your work
- using a light cube and low cost alternatives
- loading and modifying your images for the best results

Attention will be given to changing the resolution of your images for printing, the web or e-mail.

Things to consider before booking this course...

This course is suitable for total beginners and you need no prior experience. Bring along your own digital camera.
